RILEY SPECIFICATIONS foundations series **F**

BACK

The back frame is constructed with ¾" engineered paneling with the support system constructed of 11-gauge sinuous wire linked together with a 12-gauge tie wire. The back support system is covered with woven versare fabric with one piece of high-density polymeric foam. The outside back of the frame is covered with woven tyar and an additional piece of high-density polymeric foam.

SEAT DECK

The seat deck is a plyframe panel and is secured by positioning blocks hooked under the front edge. It is fastened by two removable thumb screws and locking washers. The seat deck is constructed with webbing for additional seating comfort.

SEAT

The seat cushion core is a polymeric foam and is pocketed to facilitate an insert deck. The seat is covered in an Elite Cushion Wrapping to provide extra protection from foam tear.

ARM

The Arms are constructed using ¾" engineered paneling. Each arm is covered with a high-density polymeric foam core. Additionally, each arm is covered with a high-density polymeric foam wrap. This wrap is covered using an Elite wrap to protect from foam tear.

UPHOLSTERY

All upholstery offerings conform to California Technical Bulletin 117 fire code standard. All estimated yardage quotes are based on 54" non-matched, solid color material unless otherwise specified. Additional yardage and matching fees may apply.

ASSEMBLY AND DISASSEMBLY

No tools are needed. All components can be disassembled and removed by loosening the thumbscrew and sliding the components out of the tamper-proof interlocking state. Assembly can also be completed within minutes without the usage of tools.

WARRANTY

This product is warranted against defects in materials and workmanship, and against structural damage occurred through normal use for 15 years from the date of purchase. Foam is also covered under the 15-year period while fabric is generally covered under the fabric company's warranty. Transformations does not warrant any materials beyond its control.

ADDITIONAL OPTIONS

This product has the option to add moisture barrier and security straps for an additional fee. CAL 133 fabric treatment may also be applied for an additional fee per yard.
