Like grandma's sofa, only cooler. And we'll let you sit on this one.

Make your environment stand out with a sofa or loveseat designed to last for generations to come. Equally at home in a welcome lounge, reception area, or residence hall, the Ella collection delivers a refreshing blend of comfort and class. Designed for all-day support, these pieces are perfect for catching up on homework or unwinding over some leisurely conversation.

Save Time, Money, and the Environment.

We know life can be hard and messy. On any given day, those chairs and sofas in your lounge, lobby, or common area might be seats, beds, tables, footrests, and even trampolines. You can relax knowing every piece of Transformations Furniture is built to last, comes with a 15- or 35-year warranty, and is 100% renewable upholstered seating. When the inevitable spills, scuffs, scratches, and worse happen, simply clean the covers or repair or replace a damaged part or cover in just a few minutes—no tools required. Want a new look? Simply recover a few pieces and transform your space with the Keep-It program.
