

AARON

v070426

Confident. Capable. Complementary.

With a solid maple frame and exposed wood back, the Aaron chair adds an element of character and a fun twist to any space. Its adaptable design easily complements both modern and traditional environments. The Aaron pairs nicely with a Lacy LSL loveseat (low-sloped arm).

Save Time, Money, and the Environment.

We know life can be hard and messy. On any given day, those chairs and sofas in your lounge, lobby, or common area might be seats, beds, tables, footrests, and even trampolines. You can relax knowing every piece of Transformations Furniture is built to last, comes with a 15- or 35-year warranty, and is 100% renewable upholstered seating. When the inevitable spills, scuffs, scratches, and worse happen, simply clean the covers or repair or replace a damaged part or cover in just a few minutes—no tools required. Want a new look? Simply recover a few pieces and transform your space with the Keep-It program.

Aaron Specifications

CODE	ITEM	W	D	AH	BH	SW	SD	SH	WT
AA-C	CHAIR	25	27.5	NA	32	25	22	17.5	30

W = Width; D = Depth; AH = Arm Height; BH = Back Height; SW = Seat Width; SD = Seat Depth; SH = Seat Height; WT = Weight

WOOD FRAME

The frame is constructed using hard wood and utilizes mortise and tenon joinery.

SEAT & BACK

The seat and back are constructed using high-density polymeric foam. Foams are supported by engineered cross banded plywood which interlocks with the hard wood frame. The seat is secured using metal-to-metal connections. The back is secured with two engineered metal brackets.

UPHOLSTERY

All upholstery offerings conform to California Technical Bulletin 117 fire code standard. All estimated yardage quotes are based on 54" non-matched, solid color material unless otherwise specified. Additional yardage and matching fees may apply.

MOISTURE BARRIER

Foam is wrapped with laminated, polyurethane, moisture-barrier.

ASSEMBLY AND DISASSEMBLY

All components can be disassembled and removed by loosening the thumbscrew and can be completed within minutes. All upholstery fastens with hook and loop, facilitating removal and replacement of covers.

WARRANTY

Transformations warrants all products against defects in materials and workmanship, and against structural damage incurred through normal use, for the specified warranty period (see product warranty chart). Some exclusions apply; see warranty document for details. The warranty is valid from the date of purchase to the original purchaser.

CAL 133

CAL 133 is not currently available for Aaron product.
