

v070426

You spin me round like a record baby.

The Pivot chair makes it easy to enjoy everything about a space. Your students, patients, or visitors can chat with a group in one seating area, and when the game on the big screen gets exciting, pivot right around to cheer for their team. This chair's sleek design, beautifully sweeping curves, and unique function make it a top choice for any seating area.

Save Time, Money, and the Environment.

We know life can be hard and messy. On any given day, those chairs and sofas in your lounge, lobby, or common area might be seats, beds, tables, footrests, and even trampolines. You can relax knowing every piece of Transformations Furniture is built to last, comes with a 15- or 35-year warranty, and is 100% renewable upholstered seating. When the inevitable spills, scuffs, scratches, and worse happen, simply clean the covers or repair or replace a damaged part or cover in just a few minutes—no tools required. Want a new look? Simply recover a few pieces and transform your space with the Keep-It program.

Pivot Specifications

CODE	ITEM	W	D	AH	BH	SW	SD	SH	WT
PT-C	CHAIR	38	34	-	30	25	22	18	100

W = Width; D = Depth; AH = Arm Height; BH = Back Height; SW = Seat Width; SD = Seat Depth; SH = Seat Height; WT = Weight

BACK & ARM

The back and arm frame is constructed of both 7/8" and 3/4" engineered paneling. The back support system utilizes Lexus webbing strips. The back support system is covered with high-density polymeric foam. The outside back & arms are covered with 80-point chipboard. The back & arm frames are secured to the base frame utilizing a patented interlocking frame construction. The back & arms are secured using metal-to-metal connections.

BASE

The base frame is constructed of both 7/8" and 3/4" engineered paneling with support system constructed of Lexus Webbing. Patented interlocking frame construction is utilized to attach the back, arms and seat deck components to the base.

SEAT

Seat cushions are constructed of high-density, polymeric foam. Seat cushions are secured to the base frame with a nylon security strap.

UPHOLSTERY

All upholstery offerings conform to California Technical Bulletin 117 fire code standard. All estimated yardage quotes are based on 54" non-matched, solid color material unless otherwise specified. Additional yardage and matching fees may apply. Do to the nature of this style not all fabrics can be used.

MOISTURE BARRIER

Foam is wrapped with laminated, polyurethane, moisture-barrier.

ASSEMBLY AND DISASSEMBLY

All components can be disassembled and removed by loosening the thumbscrew and sliding the components out of the interlocking state. Assembly can be completed within minutes. Upholstery fastens with hook and loop, facilitating removal and replacement of covers.

WARRANTY

Transformations warrants all products against defects in materials and workmanship, and against structural damage incurred through normal use, for the specified warranty period (see product warranty chart). Some exclusions apply; see warranty document for details. The warranty is valid from the date of purchase to the original purchaser.

CAL 133

CAL 133 is not currently available for Pivot product.

fabric restrictions:

NOT ALL FABRICS CAN BE USED WITH THE PIVOT CHAIR. FOR INSTANCE, VINYL, SILKONE, LEATHER, AND FABRICS WITH PATTERNS CANNOT BE USED.
